

**it's that easy...**

## Young men care about their health

Participants from the Young Men's Peer Project at Planned Parenthood Toronto designed and launched a new young men's health campaign this summer to encourage their peers to take better care of their sexual and reproductive health by using condoms and getting tested for STIs and HIV.

Order your FREE "It's That Easy" posters & postcards by email, fax or mail. All of our contact information is listed below.

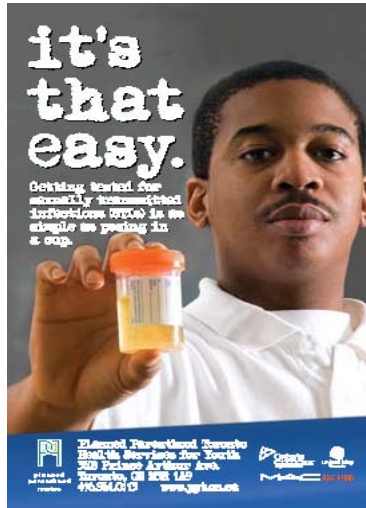

Poster 13" x 19"

Condoms help to lower your risk of unplanned pregnancy, STIs and HIV
